Quote of the Day

"The time has arrived for Congress to pass Medicare reform. And that reform must give seniors good options that meet their needs. Members of Congress and their staffs currently get a choice of health care plans. And seniors ought to have the same kind of choices, including the choice to keep their Medicare coverage the way it is. If choice is good for members of the United States Congress, it is good for America's seniors."

-- President George W. Bush, 6/17/03
